Usual stages of the process

The precise stages involved in the re-mortgage of a residential property vary according to the circumstances, however, below we have some key stages that may be involved:

- ▶ Take your instructions and give you initial advice
- ▶ Obtain a redemption statement from existing lender and contact existing and/or new lender's solicitors if needed
- ▶ Submit searches relating to the property if required by lender or arrange indemnity insurance if searches are not required
- ▶ Review the legal title and obtain further planning documentation if needed and report to the lender
- ▶ Review the mortgage offer and arrange signing of documents
- ▶ Submit searches to HM Land Registry
- ▶ Redeem the existing mortgage, the new mortgage is drawn down and any surplus funds sent to you
- ▶ If your property is leasehold we will send notice of your new mortgage to the landlord or management company (if required)
- ▶ Deal with application for registration at Land Registry

How long will it take

The length of time between instruction and completion of the re-mortgage will depend on a number of factors. The average process takes between 4 – 8 weeks. It can be quicker or slower, depending on the mortgage application process and the new lender's requirements.
